Hi! I'm Alexander and I am so excited to be returning to the CCO Youth Leadership Board! One part of CCO that I really love are the all-camp games, and I am looking forward to participating as a CIT this year! Outside of CCO, I enjoy doing yoga and skiing. See you this summer!

Hi my name is Zerren Lutska, and I am a 5-year camper at CCO. I am excited to be a SIT this summer and spend three weeks in the outdoors! I joined Youth Leadership Board to become more deeply involved in the CCO community and help CCO modify and improve their various programs!

I have been going to CCO for seven years and I joined YLB because I love nature and being able to help other kids experience the same magical things I have experienced. – Cora

Hi I am Britton!

This year I joined the Youth Leadership Board looking forward to meeting new people and learning what goes on behind the scenes of CCO! I have always loved camp but this year especially I am excited to see my camp best friends and see the beautiful sunsets again!

My name is Dermot I wanted to join YLB because I love camp and I want to make sure that magic is preserved. I am looking forward to the CIT program this summer and eventually becoming a counselor.

Hi my name is Charlie, I am in 9th grade I have been going to CCO for 6 years. I joined YLB because I wanted to positively impact CCO by expanding CCO to new people. I play lacrosse, run cross country and my favorite color is yellow.

My name is Lena, I joined YLB to meet new people and work on my leadership skills. This summer I am doing Leaders in Training for two weeks and am excited to backpack and lead campers for a day.

My name is Evan. I love the nature that we have in Colorado and have been flying in almost every summer and winter to enjoy it. My favorite hobbies are biking, skiing/snowboarding, and playing chess. Some interesting things about me is that I can speak Russian fluently and that I play the snare drum at my school. I joined the YLB to improve all aspects of YMCA of the Rockies to make the camp more enjoyable for everyone attending.

Hi! I am Sam Puffett and I am a part of the Youth Leadership Program at CCO. I joined because I have been a camper here for many years and really love the camp and want to become more a part of it and more a part of the CCO family. A fun fact about me is that I have been scuba diving for 4 years now and have over 15 dives and I also love to ski at A-Basin.

Hi my name is Stella. I joined CCO's youth leadership board because growing up CCO was a really important place to me, and I want to give back to the place that has given me so much. Some fun facts about me are that I love meeting new people and going on adventures. I also absolutely adore the outdoors, and some of my favorite things to do outside are skiing and rafting.
