Camp Chief Ouray is operated by Snow Mountain Ranch, a branch of the YMCA of the Rockies. YMCA of the Rockies is a non-profit organization managed by a volunteer Board of Directors.

MISSION STATEMENT

YMCA of the Rockies puts Christian principles into practice through programs, staff and facilities in an environment that builds healthy spirit, mind and body for all.

We will accomplish this mission by serving conferences of a religious, educational or recreational nature, providing unifying experiences for families, offering traditional summer camping experiences for boys and girls, and serving our staff with leadership opportunities and productive work experiences.

CAMP CHIEF OURAY CELEBRATED 110 YEARS IN 2018

Founded in 1908 by the Denver YMCA, Camp Chief Ouray was originally built on a site located near Lake Granby. In 1979, the camp was incorporated into the YMCA of the Rockies and moved to its present site. The first summer session at its present site was in 1980. Camp Chief Ouray is dedicated to helping boys and girls grow in spirit, mind and body!

Our goal is to offer challenging experiences, to build leaders through life-long skill development in a safe, imaginative, natural setting. We instill confidence through independence and interpersonal skills. We challenge our campers to discover their true selves.

CARING | HONESTY | RESPECT | RESPONSIBILITY | FAITH

ACCREDITATION AND LICENSURE

The camp is accredited by the American Camp Association (ACA) and is visited regularly to assure compliance with the ACA standards.

We are also licensed by the State of Colorado Department of Social Services and are visited every year by their representative for license renewal.

We are a non-profit partner with Leave No Trace, Inc. (LNT), an organization dedicated to outdoor ethics. Camp Chief Ouray believes that every child deserves a high-quality and nature-filled camp experience. By promoting the 7 Principles of Leave No Trace alongside the Core Values of the YMCA, Camp Chief Ouray can ensure that camp stays beautiful and fun for future generations. We instill Leave No Trace ethics in all parts of camp, from our dining hall to our backcountry trips.

STAFF

Camp Chief Ouray is staffed with a year-round Camp Executive, Summer Camp Director, Leadership Director and Business Manager. They are joined on a seasonal basis by college students and graduates, minimum age of 18, to fill many important roles in cabin counseling and specialist positions.

Camp Chief Ouray understands the importance of positive role models for today's young people. We carefully recruit, select, and maintain staff for their enthusiasm, maturity, skills, and ability to display wholesome values for our campers.

Staff members are chosen through a detailed application and interview process. All staff backgrounds are checked against the Central Registry for Crimes Against Children and the Colorado or Federal Bureau of Investigation in accordance with Colorado licensing requirements.

Each staff member undergoes an extensive and professional training program together in preparation for our campers' arrival. We emphasize group dynamics, child development, hands-on teaching methods, outdoor living skills, and safety and health including certification training in First Aid, CPR and Wilderness First Aid.

We also work with our insurance provider to focus in on Child Abuse Prevention training and YMCA of the Rockies is certified through Praesidium, which is an organization that ensures our policies pertaining to child abuse prevention are not only written, but practiced daily for the safety of our participants.

SCHOLARSHIPS

In keeping with our Mission Statement, Camp Chief Ouray is open to all children regardless of race, color, religion, national origin, age, sex, gender identity, handicap or ability to pay.

Camp Chief Ouray's programs strive to create an environment that not only allow children a fun week in a beautiful mountain setting, but also help children develop important life skills such as confidence, independence, teamwork, perseverance and tolerance. Furthermore, our programs foster an environment where children can succeed in groups by learning the value of getting along with others who are different from themselves. Children are granted this all important opportunity to unite with peers while experiencing nature at its finest.

Camp Chief Ouray offers scholarships with the hope that no child will miss the chance to spend a terrific summer building memories, meeting new friends, and learning from new experiences.

These scholarships are made possible through the generous donations of many caring people. We invite you to be a part of spreading camp magic to those who could not otherwise afford it. CAMP FORMS

There are several **MANDATORY** camp forms you will find in your CampInTouch account. Please be sure to have the following forms completed as soon as possible and no later than 30 days prior to your camper's arrival to camp.

Physician's Examination (upload pdf)

It is essential that this form be completed and returned to the camp office 30 days prior to your camper's session. This form is available on your CampInTouch account. We encourage you to upload it but if that is not possible email or fax it to the office. This information will be saved electronically and not in hard copy format.

The health needs of our campers are diverse, ever-changing, and demanding. Having health forms in hand prior to your camper's arrival for thorough review by our health care staff is critical.

- Colorado state law requires each camper to have a physical **within 12 months** of your child's **last day at camp**. The physical form must be completed, signed and dated by a licensed physician, P.A. or nurse practitioner including the examiner's address and telephone number or **by state law the camper cannot remain at camp.**
- **Medications and Homeopathic Treatments**
 1. **COLORADO STATE LAW** stipulates that only medications prescribed by your health care provider may be dispensed at camp. The medication section acts the same as a prescription when completed properly by your provider. This does mean that your physician, P.A., or nurse practitioner must complete this section in the same manner that he/she would write a prescription. Make certain that the lower Doctor's signature section is entirely completed, signed and dated. Please read further information listed below regarding your child's medications:
 - **Any medications** your child takes, including but not limited to, any maintenance medications; behavioral disorder medications; antibiotics; herbal/homeopathic medicines; vitamins; eye/ear drops; inhalers; epinephrine "epi" pens, etc. must be listed (including dosage) on the Physician's Exam. Any prescribed medication or non-prescription, *over-the-counter medication **MUST** be noted properly in the Physician's Exam. Please send all medications to camp in their **original container** noting the RX number and physician name.
 - **Medications added or changed after exam:** For any medication prescribed or changed for your child after his/her exam, you will need to bring the medication in the original pharmacy container noting the RX number and physician name. If this is not possible, you or your health care provider will need to provide us with a prescription.
 - **Over the counter (OTC)** medications for the common cold, stomach ailments, headaches, cuts and abrasions are stocked in our Health Center and administered by our Health Center staff according to our camp physician's standing orders. Call the camp office if you need more specific information.
 - **Homeopathic Treatments:** per Colorado State Law regarding Resident Camps, homeopathic treatments must come with parental and physician consent in the original container.
 - **All medications and homeopathic treatments are required to be turned in to the Health Center staff at check-in.** The only exceptions are inhalers and epi pens which Health Center Staff must be informed of and can be carried by the camper.

Immunization Record (upload pdf)

Childcare Licensing requires that camper's immunization record be on the provided Colorado Department of Public Health & Environment Certificate of Immunization form. Even for out of state campers. Dates may be written on the form provided in your CampInTouch account or a copy of your child's official record may be uploaded.

Healthcare Authorization (upload pdf)

This form would accompany your child to the medical center, giving permission and insurance information. Please attach a copy of both sides of your insurance card to this form. Make sure you sign and date the bottom. We have a limited coverage camper health insurance policy for campers without insurance. We will file with our carrier to cover any expenses up to the limits of the policy. This policy is of no cost to you.

Health History (submit electronically)

This form is required by Childcare Licensing.

Behavioral Agreement (submit electronically)

This form must be completed by campers ages 13 and older. This establishes expectations of conduct while participating in our special teen programs. CCO has a zero tolerance for bullying.

Information for Counselors (submit electronically)

This is a simple "fill in the blank and submit" form that is given to your child's counselors before they arrive. Please give the counselors as much information as possible to make your child's camp experience the best.

Rafting Waivers (upload pdf)

Campers participating in the one-day rafting trip on Thursday **MUST** have the Mad Adventures Rafting Agreement completed and signed by both the participant and a guardian. This includes Counselor-in-Training participants.

Campers doing overnight rafting including Adventure Rafting and Specialist-in-Training programs **MUST** have the Colorado River Center Waiver completed and signed.

***These forms will be saved electronically and not in hard copy format.**

HEALTH AND SAFETY AT CAMP

Facility and Staff

- Our program is designed with camper health and safety in mind. We have a well-equipped Health Center on camp grounds with a resident nurse in charge of medications and first-aid needs.
- Middle Park Medical Center is 15 minutes away from camp. It offers 24 hour care and consultation.
- Our health care staff are seasonal and reside in the Health Center during each camp season between the last week in May through Labor Day (until the camp season ends). They may be contacted during this time. The year-round administrative staff can make notations regarding specific health needs for your child's records during the remainder of the year.
- Parents are contacted by our health care staff if a camper's illness or injury requires treatment by the camp's clinic physicians or the camper is retained in our Health Center for a period of 24 hours. Our resident camp nurse will be in communication with both the clinic and parents regarding the diagnosis, any necessary medications, and after care treatment. Camp staff will communicate with parents if other issues come up during the session.

Health Care on Check-In Day

- Make sure your camper's Health History, Physician's Exam, Immunization Record and Healthcare Authorization are completed in your CampInTouch account prior to check-in.
- All campers will receive a health screening. This consists of, but not necessarily limited to; a lice check, temperature check, and questions regarding your child's current health condition.
- All medications and homeopathic treatments brought to camp must be turned in to the Health Center staff in the original container at check-in. The only exceptions allowed by Colorado state law are an inhaler and an epinephrine pen, which will be decided by the nurse.

Health Care during Your Camper's Stay

- Medications and homeopathic treatments are dispensed by our Health Center nursing staff or specially trained staff at the Health Center daily after breakfast, lunch, dinner, and before evening vespers. **Camp Chief Ouray will supply all necessary over-the-counter medications for common ailments and illnesses per standing orders from our camp physician.**
- **Our Nurse will call home if:** there is a fever of over 102 degrees, vomiting associated with other symptoms, more than two episodes of diarrhea, head or spinal cord injuries, or a stay in the health center for more than 24 hours.
- If a camper confides in our staff the intent to do self-harm, our protocols require us to call mental health services in the county to get professional support, which may result in a trip to the Emergency Room. Per our protocols, camp staff are not allowed to transport in these situations, it would either be the Grand County Emergency Medical Services or the Grand County Sheriff and a camp staff would accompany the camper in both situations. Any calls home would come from Mental Health Services and the licensed provider.
- The Middle Park Medical Center is fully staffed 24 hours a day. Transportation to and from the clinic is provided by our camp travel staff for non-emergency trips. Ambulance service is provided by Grand County EMS services for emergencies. A staff member will be with your camper at all times during his/her transport and throughout their entire clinic visit.
- Your camper usually is seen through the emergency room portion of Middle Park Medical Center. The clinic portion cannot always schedule appointments for our campers. The only exception is for any type of maintenance injections such as allergy shots. If your camper requires this type of medical treatment, please call the camp office.
- While campers are out on the trail with Adventure/Trekker Trips and Leadership Training Programs, the following emergency procedures are in place.
 1. Staff members are trained in Wilderness First Aid or Wilderness First Responder.
 2. Staff are trained in evacuation procedures and equipped with maps that identify closest ranger stations.
 3. Staff members carry a GPS Spot Detector with messaging capabilities.
 4. If staff members are unable to tend to an emergency, 911 is called.

If you would like to see the wilderness evacuation procedure, please contact Camp Chief Ouray office.

- The following are the clinic billing procedures:
 1. Your insurance company will be directly billed by the clinic. As the primary provider, you will receive statements. It is **your responsibility** to get payment to the clinic according to their terms. If your camper is seen in the emergency room, you will receive a physician's fee statement and an emergency room fee statement separately. If seen in the clinic portion, all procedures are on one statement. If ambulance transportation was provided, a separate fee statement for the Grand

County EMS will be mailed to you. Fees charged will vary depending upon the medical services provided. **Emergency room fees are substantially higher than the clinic fees to which you are accustomed.** In non-emergency cases, you may wish to take your camper home. You are welcome to discuss this option with our camp nurse.

2. Pharmacy services will be provided by the local City Market Pharmacy. If your camper requires prescribed medication, the pharmacy staff will bill your insurance directly whenever possible. If the pharmacy cannot bill your insurance company, the prescription cost for your camper will be charged to the Camp Chief Ouray account. The RX receipts for individual charges will be mailed to you. We request re-imbursement payment upon receipt (checks payable to Camp Chief Ouray).

Health Care on Check-Out Day

- Check-out day (Saturdays) are buzzing with excitement! REMEMBER you will need to pick up any medications your camper brought from the Health Center Staff.
- Campers traveling home by air or bus are to have their medications returned to them for their trip home.

Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasion, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from the county Department of Social Services. The telephone number to report child abuse in Grand County is 970-725-3331.

Child care services play an important role in supporting families, and strong families are the basis of a thriving community. Your child's education, physical, emotional, and social development will be nurtured in a well-planned and well run program. We invite you to observe our program, especially with regard to children's health and safety, equipment and play materials, and staff.

Please visit the following link to our website to read our Code of Conduct:
http://www.campchiefouray.org/documents/YMCA_Code_of_Conduct.pdf

For additional information regarding licensing or if you have concerns about a child care facility, please consult the Colorado Division of Child Care at 1575 Sherman Street, Denver, Colorado 80203-1714, 303-866-5858.

Do NOT Bring These Items to Camp

- *alcohol *tobacco *drugs *weapons *snacks, candy, soda *expensive items *money
- *sports equipment *pets

We strive to offer children a unique outdoor experience. Please help support us in this mission by *not allowing campers to bring* cell phones, MP3 players, iPods, iPads or electronic games as they detract from the experience.

We realize in this age of instant connectivity that it may be uncomfortable if your child does not have their cell phone with them. We ask that if you need to contact your child to please call the camp office and we will arrange for that conversation to take place. We strive to have the kids disconnect electronically so they can not only reconnect with nature but also with themselves. Check out this Ted Talk on the value of disconnecting while at camp:

<http://www.youtube.com/watch?v=4rI3olRHxP4>

Laundry

There is no laundry for one or two week campers except in cases where an item is needed. For those campers who are staying more than two weeks laundry service will be offered. (We supply all laundry detergent.) Each camper's clothing is placed in an individual mesh bag and washed in cold water and dried. Sometimes these bags break open; make certain ALL of your camper's clothing is well marked so that we may return all items to your child should this occur.

Camp Chief Ouray is not responsible for lost or damaged items.

Camp fees include all meals and daily snacks, a camp tee-shirt and a digital camp photo.

CAMP STORE

The camp store is only open during check-in and check-out. Items such as Nalgene water bottles, bandanas, sunglasses, etc. will be available for purchase. We do not have a store or snack shop open during camp.

CAMP CHECK-IN

Check-in Sunday: returning "alumni" campers check-in between 2:00 and 3:00 p.m. New campers check-in between 3:00 and 4:00 p.m.

PLEASE DO NOT ARRIVE ANY EARLIER THAN 2:00 p.m. We need the time prior to 2:00 to properly prepare for your child's arrival. We ask that you try to arrive no later than 4:00 p.m., and we would appreciate you letting us know if you expect to be late. The first meal served to all campers is dinner at 6:00 p.m.

ALL campers are required to check-in. Upon arrival in the camp parking lot, proceed to the check-in tables located inside the upper level of the main camp building. Our check-in includes receiving the camper's cabin assignment and as required by Colorado State Child Care Licensing a health screening including a temperature and lice check (braids will have to come out). Any campers arriving with medications or homeopathic treatments need to be prepared to hand them over to the Health Center staff in their original containers.

You may hand over heavy luggage to our crew who will tag and deliver heavy items to far away cabins. Campers will take their sleeping bag, pillow and daypack with them to the cabin to set up their bunk bed.

We make every effort to make this check-in as efficient as possible, but **you should plan on spending approximately 30 minutes at check-in.** We encourage you to visit your child's cabin and meet his/her counselors after you check-in.

We do ask that you plan to say good-bye to your child by 4:00 p.m., as most children will be at

camp by that time, and the cabin groups will begin their camp tours and "getting acquainted" activities.

CABIN ASSIGNMENTS & CAMP LIFE

All children will be living in cabin groups with children of their same age or grade. The youngest campers will live in dormitory-style lodges. There are bathrooms in these buildings. The youngest age depends on the campers registered for that session of camp. Because registration is first come first served, there is no guarantee of being placed in either a lodge or a cabin.

The older children will live in eighteen rustic cabins (nine for those who identify as male/nine for those who identify as female). There are two centrally located toilet/shower facilities, one designated for those who identify as male; one designated for those who identify as female. Responsibility for the cleanliness and basic up-keep of the cabins and bathroom facilities is divided between the cabins. The cabin unit is our basic and most important group at camp; they play, work and eat together the whole week. Here your camper will learn about the "give and take" of group living, understanding others and making new friends.

It is our belief that each camper will have a significantly better camp experience by **not** requesting a cabin-mate. Our counselors are trained to build cabin unity and make each camper feel welcome from the moment the session begins. This encourages our campers to expand their comfort zone and make new friends while at camp. However, we do recognize that going to camp with a friend may make the adjustment process easier for some campers.

- Traditional campers age 7-12 may make **one** cabin-mate request. Go to your [CampInTouch](#) account and then "Forms and Documents" and then "Bunk Request"
- Cabin-mates must be no more than 12 months apart in age
- Also, the cabin-mate request must be mutual between campers
- Requesting more than one cabin-mate may void any request
- We do not guarantee placement

All meals are served family-style in Chipeta Dining Hall. A well-balanced, varied menu is served and a vegetarian menu is available. **Special restricted dietary needs should be documented in the camper's on-line Health History and the Physician's Exam.** Campers will share in the responsibility for setting the table for their cabin and for post-meal clean-up. Each cabin is supervised by its counselors at meals.

CCO Staff are only allowed to meet campers who have not paid for escort service at the top of the escalator on LEVEL 5 (Baggage Claim Level).

Directions are as follows: Upon leaving the plane at the gate in DIA, follow the electronic signs overhead to "Baggage Claim/Terminal" along Concourse A, B or C to the escalator going down to the Train Level. The train will take you to the baggage claim and main terminal. De-board the train at the prompt, "Baggage Claim / Terminal". Proceed up the escalator to Level 5. Remain here (do not proceed alone to luggage carousels) and our staff member with staff shirt, nametag, and I.D. will be at the designated pick up location at the top of the escalator, greet your camper and proceed to baggage claim.

Airport Departures

All campers departing by plane will leave camp on Saturday morning. **All departure flights should be between 12:00 p.m. & 3:00 p.m. Mountain Time Saturday.** Our staff will escort your child to the airline check-in counter and if your camper is 12 and under our staff will accompany your child to their gate until he/she boards their flight. For campers over 12, our staff will escort your child to the check-in counter and remain with them until he/she proceeds to the main security area. Campers who will not be accompanied proceed through the main security area and down the escalator to the train and board at the prompt. They will de-board the train on the appropriate concourse by following the train's voice prompt and continue to their departure gate. Departure gates are clearly marked. There are arrival/departure screens on each concourse that your unaccompanied camper should check and make certain that their gate assignment and departure time received at their airline check-in counter is still correct.

UPS, FED EX, DHL OR AIRBORNE EXPRESS:

Please do not send packages with candy, gum, or snacks. Campers are not allowed to take food to their cabin or group areas. A great alternative is to send things that can be shared among cabin mates; magazines, games, playing cards, etc. To avoid postal delays and expense, bring letters and **no more than one small** package per camper per week with you on check-in day. These can be distributed to your camper throughout the week. Remember that over communicating with your camper can create undo homesickness.

Send a one-way email to your camper and they will receive a printed copy in their mail. We print them at 11:00 am and they receive them right after lunch. (So, don't send any after 11:00 on Friday). This is found on your CampInTouch account under "Email". There is a nominal fee for this service. However, a portion of these fees go to the Camp Chief Ouray Scholarship Fund.

The Camp Chief Ouray Office number is 970-887-2648. In an emergency situation after hours, dial 970-887-2152 and press "0" for the 24 hour operator.

Please do not tell your children to call you if they are homesick!

Please help us with our request that your child not bring their cell phone to camp. We understand that for many parents (if not all), it is an expectation to have instant access to communicate with their child. We ask that you help us help your child develop the independence that comes with a session of camp. You may call the office any time if you are in need of speaking with your child and we will do everything in our power to make that happen. For campers traveling before and after camp, please allow us to store their cell phones in the camp office safe during their stay.

DISCIPLINE

We have high but reasonable expectations about our camper's behavior. If a child's behavior becomes disruptive enough to disturb the experience of other campers, a decision may be made to remove him or her from our program.

In keeping with our 'for all' focus and ensuring the physical, emotional and psychological safety of all our campers and staff, racism or any use of derogatory terms against any person will not be tolerated.

While the goal for our staff is to create a rapport with campers which encourages campers to talk over and seek ways of handling the pressures they face growing up in today's society, we do not have sufficient staff resources to deal with dependency on alcohol, tobacco or other drugs. Campers should expect to give up established habits in these areas while they are at camp out of respect to the camp goals and their fellow campers. Those who do not comply will be sent home **at parents' expense and with no refund.**

LOST AND FOUND

Camp Chief Ouray is not responsible for lost items. We will do all that we can to ensure that your child returns with all of the items brought to camp. **Please be sure to mark ALL of your camper's belongings with their full name (not just initials).** Be sure to send only older, non-valuable items with your camper.

Due to limited storage, camp will only keep unclaimed items for one week at which time they will be donated to charity.

CAMP CHECK-OUT

*If someone other than the parents/guardians listed on registration will be picking up your camper please make sure you listed their legal name on the "Allowed to pick up" section of your registration.
