UPDATES

Volume 7, Late April

Updated resident camp guidelines for summer 2021 have come out. We are still reviewing and making decisions for what that will look like for CCO. Please keep an eye on your CampInTouch login email, this is where we will send updates.

Packing Lists

Updated packing lists for all programs can be found on the camp website. <https://campchiefouray.org/parents/camp-paperwork/>

Please note that all campers should have one face mask for each day of their camp session; must be at least a two-layer face mask that covers the nose, mouth, and chin. Masks can be disposable or washable.

Auto Payment Reminder

Please be reminded that many families have set up automatic payments on May 1st and June 1st. All payments are required to be in the camp office by 30 days prior to arriving to camp.

You can view your financial statement on your CampInTouch Account under the Financial Management tab.

For more information about packing lists and financials, please see the parent handbook, located at the bottom of the CCO website, or call the camp office at 970-887-2648.
