4. **Infectious Disease Plan** (includes norovirus, COVID, etc.)

Tier	Low	Medium	High
Definition	<i>Each Session, we will start at low unless the CDC community spread levels in the county are higher.</i>	<i>If one or more people are showing symptoms or one or more people tests positive for COVID-19 or showing symptoms of any other infectious disease.</i>	<i>If five people are showing symptoms or test positive for COVID-19, it is defined as an outbreak. For other infectious diseases it is two showing symptoms or confirmed cases.</i>
What Happens	At check-in all staff will wear masks until testing is complete. We ask families and campers to wear masks during the check-in out of respect, if you need to go inside a building you will be required to wear a mask (nurse's station).	Individual will be placed in isolation, while their cabin and cohort (maybe table neighbors) will be tested, asked to wear masks, and quarantined, until test results return.	Report to the health department for guidance. All groups will be quarantined and parents contacted with our next steps.
Plan	All campers will be tested upon arrival. We recommend you test your camper 48-hours PCR test prior to arrival and bring your results to skip the testing on site (this will speed up your check in). If you do not have test results you will be tested on site. Once all families are gone, and all tests are back negative, we will operate without masks and encourage those who feel more comfortable with a mask to wear one.	If every test comes back negative, we will return to low and continue to keep the one positive test individual in isolation (we will call parents to pick up).	All of camp will be required to wear masks at all times, with the exception of being inside of their cabin, eating, drinking, and water-based activities. Local health department will assist in next steps which could include shutting down for a set time frame.
Camp Response	All Staff will be tested weekly ("test to stay" model from schools).	If an additional, or more, tests return positive, we will move to high.	We will instate cohorts/family groups.
Guests	Visitors: masks indoors will be required.	Visitors: masks are required at all times.	Visitors: essential visitors only, masks are required

Our Commitment to All People

We will serve a diverse population, inclusive of all people of good will. Reflecting our Christian Mission, we will be inclusive and welcoming of all people of good will. Our activities and facilities will be inclusive, accessible, and available to the diverse worldwide community we serve.

YMCA of the Rockies Core Values

CCO programs focus on our core values of Caring, Honesty, Respect, Responsibility, and Faith.

Camp Chief Ouray History

Founded in 1908 by the Denver YMCA, Camp Chief Ouray was originally built on a site located near Lake Granby. In 1979, the camp was incorporated into the YMCA of the Rockies and moved to its present site. The first summer session at our present site was in 1980 and we celebrated 110 years in 2018. Camp Chief Ouray is dedicated to helping youth grow in spirit, mind and body!

Accreditation and Licensure

Camp Chief Ouray is accredited by the American Camp Association (ACA) and is visited regularly to assure compliance with the ACA standards.

We are also licensed by the State of Colorado Department of Social Services and are visited every year by their representative for license renewal.

CCO is an Accredited Youth Program and non-profit partner with Leave No Trace, Inc. (LNT), an organization dedicated to outdoor ethics. By promoting the seven principles of Leave No Trace alongside the Core Values of the YMCA, Camp Chief Ouray can ensure that camp stays beautiful and fun for future generations. We instill Leave No Trace ethics in all parts of camp, from our dining hall to our backcountry trips. We believe that every child deserves a high-quality and nature-filled camp experience.

Staff

Camp Chief Ouray is staffed with a year-round Camp Executive, Summer Camp Director, Leadership & Trips Director, Business Manager, and Office Manager. They are joined on a seasonal basis by qualified, passionate, and responsible staff, minimum age of 18, to fill many important roles in cabin counseling and specialist positions.

Camp Chief Ouray understands the importance of positive role models for today's young people. We carefully recruit, select, and maintain staff for their enthusiasm, maturity, skills, and ability to display our core values for our campers. Staff members are chosen through a detailed application and interview process. All staff backgrounds are checked against the Central Registry for Crimes Against Children and the Colorado or Federal Bureau of Investigation in accordance with Colorado licensing requirements.

Each staff member undergoes an extensive and professional training program together in preparation for our campers' arrival. We emphasize group dynamics, child development, hands-on teaching methods, outdoor living skills, and safety and health including certification training in First Aid, CPR and Wilderness First Aid.

We also work with our insurance provider to focus in on Child Abuse Prevention training, and YMCA of the Rockies is certified through Praesidium, which is an organization that ensures our policies pertaining to child abuse prevention are not only written, but practiced daily for the safety of our participants.

Scholarships

In keeping with our Mission Statement, Camp Chief Ouray is open to all children regardless of race, color, religion, national origin, age, sex, gender identity, faith, or ability to pay.

Camp Chief Ouray's programs strive to create an environment that not only allows children a fun week in a beautiful mountain setting, but also helps children develop important life skills such as confidence, independence, teamwork, perseverance and empathy. Furthermore, our programs foster an environment where children can succeed in groups by learning the value of getting along with others who are different from themselves. Children are granted this all-important opportunity to unite with peers while experiencing nature at its finest.

Camp Chief Ouray offers scholarships with the hope that no child will miss the chance to spend a terrific summer building memories, meeting new friends, and learning from new experiences.

These scholarships are made possible through the generous donations of many caring people. We invite you to be a part of spreading camp magic to those who could not otherwise afford it. The health needs of our campers are diverse, ever-changing, and demanding. Having health forms in hand prior to your camper's arrival for thorough review by our health care staff is critical. **Colorado state law requires each camper to have a physical within 12 months of your camper's last day at camp.** The physical form must be completed, signed and dated by a licensed physician, physician's assistant or nurse practitioner including the examiner's address and telephone number or by state law the camper cannot attend camp.

Camp Forms – Physician’s Examination (continued)

Medications and Homeopathic Treatments

- Colorado state law stipulates that only medications prescribed by your health care provider may be dispensed at camp. The medication section acts the same as a prescription when completed properly by your provider. This does mean that your physician, physician’s assistant, or nurse practitioner must complete this section in the same manner that they would write a prescription. Make certain that the lower Doctor’s signature section is entirely completed, signed and dated. Please read further information listed below regarding your camper’s medications:
 - a) **Any medications** your camper takes, including but not limited to, any maintenance medications; behavioral disorder medications; antibiotics; herbal/homeopathic medicines; vitamins; eye/ear drops; inhalers; epinephrine “epi” pens, etc. must be listed (including dosage) on the Physician’s Exam. Any prescribed medication or non-prescription, over-the-counter medication **MUST** be noted properly in the Physician’s Exam. Please send all medications to camp in their original container noting the RX number and physician name.
 - b) **Medications added or changed after exam:** For any medication prescribed or changed for your camper after their exam, you will need to bring the medication in the original pharmacy container noting the RX number and physician name. If this is not possible, you or your health care provider will need to provide us with a prescription.
 - c) **Over the counter (OTC)** medications for the common cold, stomach ailments, headaches, cuts and abrasions are stocked in our Health Center and administered by our Health Center staff according to our camp physician’s standing orders. Call the camp office if you need more specific information.
 - d) **Homeopathic Treatments:** per Colorado State Law regarding Resident Camps, homeopathic treatments must come with parental and physician consent in the original container.
 - e) **All medications and homeopathic treatments are required to be turned in to the Health Center staff during check-in.** The only exceptions are inhalers and epi pens which Health Center Staff must be informed of and can be carried by the camper.

Immunization Record (upload pdf)

Childcare Licensing requires camper’s immunization record be on the provided Colorado Department of Public Health & Environment Certificate of Immunization form even for out of state campers. Dates may be written on the form provided in your CampInTouch account or a copy of your camper’s official record may be uploaded.

Healthcare Authorization (upload pdf)

This form would accompany your camper to the medical center, giving permission and insurance information. Please attach a copy of both sides of your insurance card to this form. Make sure you sign and date the bottom. We have a limited coverage camper health insurance policy for campers without insurance. We will file with our carrier to cover any expenses up to the limits of the policy. This policy is of no cost to you.

Health History (submit electronically)

This form is required by Childcare Licensing.

Camper/Guardian Agreement (submit electronically)

This form must be completed by campers and parents/guardians. This establishes expectations of conduct while participating in our programs. CCO has a zero tolerance for bullying.

Information for Counselors (submit electronically)

This is a "fill in the blank and submit" form that is given to your camper's counselors before they arrive. Please give the counselors as much information as possible to make your camper's experience the best it can be.

Rafting Waivers (upload pdf)

Campers participating in the one-day rafting trip on Thursday **MUST** have the Mad Adventures Rafting Agreement completed online and signed by both the participant and a guardian. This includes Counselor-in-Training participants.

Campers doing overnight rafting including Adventure Rafting and Specialist-in-Training programs **MUST** have the Colorado River Center Waiver completed, signed and uploaded.

HEALTH AND SAFETY AT CAMP

Our program is designed with camper health and safety in mind. We have a well-equipped Health Center on camp grounds with two resident nurses in charge of medications and first-aid needs.

Health Care Facilities and Staff

Our health care staff are seasonal and reside in the Health Center during each camp season between the last week in May through Labor Day (until the camp season ends). They may be contacted during this time. The year-round administrative staff can make notations regarding specific health needs for your camper's records during the remainder of the year.

Parents/guardians are contacted by our health care staff if a camper's illness or injury requires treatment by the camp's clinic physicians or the camper is retained in our Health Center for a period of 24 hours. Our resident camp nurses will be in communication with both the clinic and parents regarding the diagnosis, any necessary medications, and after care treatment. Camp staff will communicate with parents/guardians if other issues arise during the session.

Middle Park Medical Center is 15 minutes away from camp and utilized for emergency services. It offers 24-hour care and consultation. The Middle Park Medical Center is fully staffed 24 hours a day. Transportation to and from the clinic is provided by our camp travel staff for non-emergency trips. Ambulance service is provided by Grand County EMS services for emergencies. A staff member will be with your camper at all times during their transport and throughout their entire clinic visit.

- Your camper usually is seen through the emergency room portion of Middle Park Medical Center. The clinic portion cannot always schedule appointments for our campers. The only exception is for any type of maintenance injections such as allergy shots. If your camper requires this type of medical treatment, please call the camp office.

Clinic Billing Procedures

The following are the clinic billing procedures should your camper need emergency services provided outside of the CCO health care team:

- Your insurance company will be directly billed by the clinic. As the primary provider, you will receive statements. It is **your responsibility** to get payment to the clinic according to their terms. If your camper is seen in the emergency room, you will receive a physician's fee statement and an emergency room fee statement separately. If seen in the

clinic portion, all procedures are on one statement. If ambulance transportation was provided, a separate fee statement for the Grand County EMS will be mailed to you. Fees charged will vary depending upon the medical services provided. **Emergency room fees are substantially higher than the clinic fees.**

- In non-emergency cases, you may wish to take your camper home. You are welcome to discuss this option with our camp nurse.
- Pharmacy services will be provided by the local City Market Pharmacy. If your camper requires prescribed medication, the pharmacy staff will bill your insurance directly whenever possible. If the pharmacy cannot bill your insurance company, the prescription cost for your camper will be charged to the Camp Chief Ouray account. The prescription receipts for individual charges will be mailed to you. We request re-imbusement payment upon receipt (checks payable to Camp Chief Ouray).

Health Care on Check-In Day

For the most up to date information regarding Check In, visit our COVID-19 information webpage at <https://campchiefouray.org/covid-and-cco/>

Make sure your camper's Health History, Physician's Exam, Immunization Record and Healthcare Authorization are completed in your CampInTouch account prior to check-in.

All campers will receive a health screening. This consists of, but not necessarily limited to; a lice check, temperature check, and questions regarding your camper's current health condition.

All medications and homeopathic treatments brought to camp must be turned in to the Health Center staff in the original container at check-in. The only exceptions allowed by Colorado state law are an inhaler and an epinephrine "epi" pen, which will be decided by the nurse.

Health Care During Camp

Camp Chief Ouray will supply all necessary over-the-counter medications for common ailments and illnesses per standing orders from our camp physician. Medications and homeopathic treatments are dispensed by our Health Center nursing staff or specially trained staff at the Health Center daily after breakfast, lunch, dinner, and before evening vespers.

Our Nurse will call home if there is a fever of over 100 degrees, vomiting associated with other symptoms, more than two episodes of diarrhea, head or spinal cord injuries, or a stay in the health center for more than 24 hours. For additional COVID-19 related protocols, visit our website.

If a camper confides in our staff the intent to do self-harm, our protocols require us to call mental health services in the county to get professional support, which may result in a trip to the Emergency Room. Per our protocols, camp staff are not allowed to transport in these situations, it would either be the Grand County Emergency Medical Services or the Grand County Sheriff and camp staff would accompany the camper in both situations. Any calls home in this situation would come from Mental Health Services and the licensed provider.

Health and safety procedures for Adventure/Trekker Trips and Leadership Training Programs are as follows:

- Staff members are trained in Wilderness First Aid or Wilderness First Responder, and carry a first aid kit on all trips.
- Staff are trained in evacuation procedures and equipped with maps that identify closest ranger stations.
- Staff members carry a GPS Garmin InReach devices with messaging capabilities to contact

the camp office and emergency personnel.

- If staff members are unable to tend to an emergency, 911 is called.

For our wilderness evacuation procedures, please contact the Camp Chief Ouray office.

Health Care on Check-Out Day

For the most up to date information regarding Check Out, visit our COVID-19 information webpage at <https://campchiefouray.org/covid-and-cco/>

Parents/guardians will pick up all medications your camper brought from the Health Center Staff. Campers traveling home by air or bus or airplane are to have their medications returned to them for their trip home.

Colorado Child Care Services

Child care services play an important role in supporting families, and strong families are the basis of a thriving community. Your camper's education, physical, emotional, and social development will be nurtured in a well-planned and well-run program. We require all campers and families to sign off on a behavior expectation agreement before attending camp, which can be found in your forms on your CampInTouch account.

Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasion, an incident of physical or sexual abuse may occur. If you believe that your camper has been abused, you should seek immediate assistance from the county Department of Social Services. The telephone number to report child abuse in Grand County is 970-725-3331.

For additional information regarding licensing or if you have concerns about a child care facility, please consult the Colorado Division of Child Care at 1575 Sherman Street, Denver, Colorado 80203-1714, 303-866-5858.

PACKING LISTS

For the most up to date packing lists, visit our Packing Lists webpage at <https://campchiefouray.org/parents/camp-paperwork/>

Tips for packing:

- Clearly mark everything with your camper's name, not just initials!
- Our temperatures usually reach 75°F to 80°F in the daytime all summer and drop to 25°F-40°F at night.
- Space is limited in the cabins, please do not over pack.

Essential Items:

- 1 Face mask for camp session (disposable or washable, must be at least a two-layer face mask that covers the nose, mouth, and chin) Depending on the tier of infectious disease protocols we are in we will have individuals mask in medium tier and all camp mask in high/outbreak tier.
- Sleeping bag (lightweight but warm with a rating of 15-20 degrees; filled with synthetic fibers or down, cotton is not advised).
- Toiletries
- Pillow
- Sleeping pad (thin roll-up pad for camp-out night)
- Day pack (book/school pack size) with:
 - Two water bottles (screw top lids that don't leak-such as Nalgene brand)

- CCO water bottles available for purchase at Check-in
- Rain gear (poncho or coat/pants combination)
- Sweat pants or wind pants
- Medium weight jacket (warm-long sleeved fleece works well)
- Warm hat and gloves
- Sunscreen (with camper's name written on it)

Do NOT Bring These Items to Camp

We strive to offer children a unique outdoor experience, unplugged from electronics as much as possible. Please help support us in this mission by *not allowing campers to bring* cell phones, smart watches, tablets, iPads or electronic games as they detract from the experience.

The following items are prohibited to be brought by campers: alcohol, tobacco, drugs, weapons, snacks, candy, soda, expensive items, money, sports equipment, or pets. Campers are not allowed to have food in their cabin, we don't want to attract animals and wildlife.

We realize in this age of instant connectivity that it may be uncomfortable if your camper does not have their cell phone with them. We ask that if you need to contact your camper to please call the camp office and we will discuss the best way to connect you with your camper. We strive to have campers disconnect electronically so they can not only reconnect with nature but also with themselves. Check out this Ted Talk on the value of disconnecting while at camp:

<https://www.youtube.com/watch?v=4rI3oIRHxP4>

LAUNDRY

There is no laundry for one or two-week campers except in cases where an item is needed. For those campers who are staying more than two weeks' laundry service will be offered and we supply all laundry detergent. Each camper's clothing is placed in an individual mesh bag and washed in cold water and dried. Sometimes these bags break open; make certain ALL of your camper's clothing is well marked so we may return all items to your camper should this occur.

Camp Chief Ouray is not responsible for lost or damaged items.

CAMP STORE

The camp store is only open during check-in and check-out. Items such as Nalgene water bottles, bucket hat, and shirts will be available for purchase. We do not have a store or snack shop open during camp. Camp fees include all meals and daily snacks, a camp t-shirt, and a digital camp photo.

CAMP CHECK-IN

For the most up to date information regarding Check In, visit our COVID-19 information webpage at <https://campchiefouray.org/covid-and-cco/>

Check-in Sunday: returning "alumni" campers check-in between 2:00 and 3:00 p.m. (MDT) New campers check-in between 3:00 and 4:00 p.m. PLEASE DO NOT ARRIVE ANY EARLIER THAN 2:00 p.m. We need the time prior to 2:00 to properly prepare for your camper's arrival. We ask that you arrive no later than 4:00 p.m., and ask you call the camp office if you will be late (970.887.2648). The first meal served to all campers is dinner at 6:00 p.m.

ALL campers are required to check-in. There may be a long line of cars before check-in. Upon arrival at the CCO entrance, you will drive through a series of stations, including a temperature check, COVID-19 test, health screening, and lice check (we will need to access each camper's scalp in order to conduct the lice check properly). Any campers arriving with medications or homeopathic treatments need to be prepared to hand them over to the Health

Center staff in their original containers. Both the parent and camper must talk with the nurses when turning in medication. Counselors will be around the parking lot, or in cabins for our Bunkhouse and Lodge, to greet campers. This is where you may drop off luggage after meeting your campers' cabinmates and staff.

We make every effort to make this check-in as efficient as possible, but you should plan on spending approximately 30-60 minutes at check-in.

We do ask that you plan to say goodbye by 4:00 p.m., as most children will be at camp by that time, and the cabin groups will begin their camp tours and relationship building activities.

CABIN ASSIGNMENTS & CAMP LIFE

All campers will be living in cabin groups with campers of their same age or grade and gender identity. The youngest campers will live in dormitory-style lodges, with bathrooms in these buildings. The youngest age depends on the campers registered for that session of camp. Because registration is first come first served, there is no guarantee of being placed in either a lodge or a cabin.

Cabin Assignments & Camp Life

The older campers will live in eighteen rustic cabins (nine for those who identify as male/nine for those who identify as female). There are two centrally located toilet/shower facilities, one designated for those who identify as male; one designated for those who identify as female. Responsibility for the cleanliness and basic up-keep of the cabins and bathroom facilities is divided between the cabins. The cabin unit is our basic and most important group at camp; they play, work and eat together the whole week. Here your camper will learn about the "give and take" of group living, understanding others and making new friends.

It is our belief that each camper will have a significantly better camp experience by **not** requesting a cabin-mate. Our counselors are trained to build cabin unity and make each camper feel welcome from the moment the session begins. This encourages our campers to expand their comfort zone and make new friends while at camp. However, we do recognize that going to camp with a friend may make the adjustment process easier for some campers.

- Two-week campers cannot request one-week campers due to the time-line of the programs
- Challenger campers are automatically put together in the larger Dakota or Teton cabins
- Traditional campers age 7-12 may make **one** cabin-mate request.
 1. Cabin-mates must be no more than 12 months apart in age
 2. Also, the cabin-mate request must be mutual between campers
 3. Requesting more than one cabin-mate may void any request
 4. We do not guarantee placement

Go to your CampInTouch account and then "Forms and Documents" and then "Bunk Request" to complete a cabin-mate request.

Meals

All meals are served family-style inside the Dining Hall. A well-balanced, varied menu is served to accommodate the majority of food preferences and restrictions. **Special restricted dietary needs should be documented in the camper's on-line Health History and the Physician's Exam.** If you have a question on food, please reach out to the office for accommodation. Campers will share in the responsibility for setting the table for their cabin and for post-meal clean-up. Each cabin is supervised by its counselors at meals.

Due to safety precautions, the High Ropes Course activity may be canceled with inclement weather conditions such as heavy rain or lightning, and will not be able to be rescheduled. Our ropes staff are belay certified and receive additional training and safety orientation.

Horseback Riding Instruction (all ages) \$265.00

Within each camp session of Horseback Riding Instruction there are four different levels according to ability and experience. When registering for camp, if you do not know what level to sign your camper up for, please contact the camp office. Campers will spend two hours out of their day at the stables and rotate through traditional camp programs with their cabin mates the rest of the day. Please note that if you have registered for both horseback riding instruction and rafting, your camper will miss a full session at the stables because they will be on the river all day Thursday. Those campers invited to participate in the High Rider level will be in their riding class for all activity periods and will not rotate into other daytime activities.

Beginner Trail Ride (all ages) \$40.00

This is a one-time, 30-minute horseback trail ride perfectly suited for the camper who has not been in riding instruction all week but would like a simple trail ride. Rides will be canceled for safety reasons such as heavy rain and/or lightning.

Weekend Stayover– Between One-Week Sessions (ages 13 & up) \$100.00

Teens registered for more than one session are welcome to stay at camp between certain

sessions.

CAMPER COMMUNICATION

To reduce touch points, please do not mail or bring packages to camp. Instead, you can send a one-way email to your camper and they will receive a printed copy in their mail. We print them at 11:00 am and campers receive them right after lunch. (So, don't send any after 11:00 a.m. MST on Friday). This is found on your CampInTouch account under "Email". There is a nominal fee for this service. However, a portion of these fees go to the Camp Chief Ouray Scholarship Fund.

The Camp Chief Ouray Office number is 970-887-2648. In an emergency situation after hours, dial 970-887-2152 and press "0" for the 24-hour operator.

Missing Home

Please help us with our request that your camper not bring their cell phone to camp. Additionally, please do not tell your camper to call you if they are homesick! We understand that for many parents/guardians (if not all), it is an expectation to have instant access to communicate with their camper. We ask that you help us help your camper develop the independence that comes with a session of camp. Our staff are trained to help build relationships and overcome homesickness. We will contact you if we need support on any camper concerns. You may call the office any time if you need to speak with your camper and we will work with you on the best way to connect with your camper. For campers traveling before and after camp, please allow us to store their cell phones in the camp office safe during their stay.

DISCIPLINE

It is the responsibility of the YMCA to insure each person's right to achieve our goals within the camp setting. In order to do so, the YMCA requests the understanding and application of this proactive disciplinary policy.

1. Every person has the right to be safe and healthy within their environment, including freedom from verbal, physical and mental abuse (bullying).
2. Every person has the right to an opinion, and to be heard in a constructive and positive manner.
3. Every person has the right to be respected and treated fairly in a civilized manner.
4. The YMCA staff will do their best to redirect any negative behavior and resolve any issues to achieve a positive outcome for all involved. Parents/guardians will be notified immediately if issues arise regarding camper behavior. If positive outcomes cannot be achieved, the YMCA reserves the right to suspend or terminate the camper from our program. Camp fees will not be refunded nor credited for behavioral dismissal.

Discipline Action Progression/Consequences

We have high but reasonable expectations about our camper's behavior. If a child's behavior becomes disruptive enough to disturb the experience of other campers, a decision may be made to remove the camper from our program. In keeping with our 'for all' focus and ensuring the physical, emotional and psychological safety of all our campers and staff, racism or any use of derogatory terms against any person will not be tolerated.

Should a camper choose to repeatedly misbehave, the following action steps may be taken.

1. Verbal warning
2. Time out (in relation to child's age)
3. Second time out and note to parent/guardian (staff member/counselor will discuss behavior with parent at pickup)

4. Meeting between camper, counselor, camp director: parent/guardian called. Behavior contract created outlining acceptable/unacceptable behavior, alternative positive behaviors, and consequences.
5. Meeting with camper, counselor, camp director, parent/guardian: camper dismissed from camp for the remainder of the camp session
6. Suspension from camp (time frame indefinite; TBD based on safety of other children and positive behavior changes)

Those who do not comply will be sent home at parents/guardians' expense and with no refund.

LOST AND FOUND

Camp Chief Ouray is not responsible for lost items. We will do all that we can to ensure that your camper returns with all of the items brought to camp. **Please be sure to mark ALL of your camper's belongings with their full name (not just initials)**. Be sure to send older, non-valuable items with your camper. Due to limited storage, CCO will only keep unclaimed items for one week at which time they will be donated to charity.
